International Coaching Enrichment Certificate Program (ICECP) 2020-2021

Information for candidates

The candidate for an Olympic Solidarity scholarship should be a coach with the following characteristics:

- be fluent in reading, writing, and speaking in English;
- belong to a federation of a sport on the Olympic programme;
- hold the rank of official coach recognized in his/ her country of origin and/or by the respective International Federation;
- be active and able to prove that he/she has practical experience as a coach at national/international level.

The individual must be committed to returning and making an important and sustainable contribution to his or her sport and the Olympic movement through application of the knowledge and experience gained from the program. Participants will be selected on the basis of their background, their project proposal and an interview.

Candidates must submit the following:

- motivational letter
- curriculum vitae (CV), including professional background information related to their coaching experience;
- copy of passport;
- medical certificate;
- letter of support from National Federation;
- a potential personal project endorsed by the National Federation.

The following should be included in your project proposal:

- title of your proposed project
- particular area of coaching that will be addressed – coaching education, sport development, long-term athlete development, high performance, talent identification, grassroots development
